

Ride a Test/Feedback Night at West Kype (West Kype Riding Club Event)

The lessons with Ailsa Gilchrist at West Kype every other Thursday are going very well and well supported by SDG members. Members may be interested in the Ride a Test/feedback night that is planned for Thursday 15th September with Ailsa, organised by West Kype RC. This is an opportunity to ride a dressage test at the level of your choice, have it judged and scored then spend time with the judge in "instructor mode" as they help improve your marks.

A session will comprise 45 minutes, the first 7 minutes will be spent riding the test and having it judged, the remaining time will be for coaching and to give you the opportunity to re-ride the test if you wish. Any test can be selected from the options below;

Intro A or B, Prelim 10 or 12, Novice 28 or 27, Elementary 42 or 44

The cost will be £45 for the session (£43 for WKRC members).

Contact Gillian Beattie 0797 1989128 if you are interested.

The sessions will take place from late afternoon/early evening onwards.
